

Program: Undergraduate Academic Studies
Course title: LAW OF EUROPEAN INTEGRATIONS
Teachers: Prof. Dr. Branko Rakić , e-mail: branko@ius.bg.ac.rs Ass. Prof. Dr. Bojan Milisavljević , e-mail: bojan@ius.bg.ac.rs Assist. Prof. Dr. Aleksandar Gajić , e-mail: gajic@ius.bg.ac.rs Assist. Prof. Dr. Miloš Jovanović , e-mail: milosjovanovic@ius.bg.ac.rs Assist. Prof. Dr. Maja Lukić Radović, LL.M. , e-mail: maja.lukic@ius.bg.ac.rs
Course status: Mandatory course
Number of ECTS: 6
Requirements: Regular attendance. The course will be delivered in the Summer semester. Lectures will be interactive and students will have to prepare themselves for each class.
Aims of the course: The main objectives of the course are to develop knowledge of institutional and legal system of the European Union; to develop understanding of basic tensions in the relationship between EU law and national, particularly constitutional legal systems; to develop understanding of basic economic logic and policy shaping of the four freedoms; to understand differences and choices between different judicial procedures under the Treaty on Functioning of the European Union.
Course result: To understand the structure of the European Union under the Treaty of Lisbon and its historic evolution. To understand the main stages of European economic integration, and how economic integration affects political and social sphere. To understand economic and political objectives of the European integration and to understand links between economic integration and political goals of the founding fathers of the EU. To understand the institutional setting of the EU, to get acquainted with its institutions, their respective roles and interrelationships. To understand the vertical separation of powers between the EU and the Member States. To understand competences of the EU. To get basic understanding of concepts of subsidiarity, proportionality and conferred powers. To get the basic overview of the judicial structure of the European Union, notably, the General Court and the European Court of Justice. To understand the concept of the "new legal order of European Law" and what makes it different from the legal order of international law. To get acquainted with differences in understanding of supremacy of EU law that exist between the ECJ and national courts having constitutional jurisdiction. To get acquainted with sources of secondary EU law and to understand the difference between primary and secondary EU law. To understand obligations of Member States related to application of regulations. To understand specific features of directives as one of the sources of secondary EU law. To understand obligation of Member States to apply EU law, particularly directives, fully, correctly and effectively. To understand the economic and political background of the internal market. To understand the relationship between market freedoms and fundamental rights in the EU and how they are balanced by the ECJ.
